### Student Reviews...

"For years I have dreamed of being fluent in French and now, thanks to Dominique Schmitz and the Lingual Institute, that dream is fast becoming a reality. The foundation we have built after only a few months has opened a whole new world for me. Somehow they make it a joy to learn."

Kathy Bates, Actor/Producer

"Thank you for enriching my life."

## Harold Nebenzal, Author, Café Berlin

"Orange County Lingual Institute is a great place to learn and maintain skills in a variety of languages. Individual classes are small; teachers are both patient and well qualified, and the other students are both serious and interesting. For the past few years I have enjoyed classes in both French and Spanish. Now I do not want to imagine my life without this place. And they always have cookies."

## Jim Mamer National Award-Wining History Teacher/Professor

"Signing up at the OCLI feels like one of the best decisions of my life. There are only a small number of people per class and everyone is really interested in learning. The school has great teachers, a nice location and I feel my Italian has improved a lot. I took German at the Goethe Institute and French at IVC, but OCLI is the best. I highly recommend it. "

# Executive Pastry Chef/CEO L&S Food Creations

"If you are looking for short cuts—this is definitely not the place for you. But if you want to build a solid foundation in a second language, then this is really the place. I've gone to those other schools that tell you that they are going to teach you a second language in just a few weeks-it just doesn't work. Here I've learned a lot and it has been really rewarding and I'm glad. That is why I keep coming back."
