

Best Value

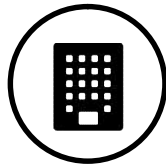

Tuition prices are kept low, but not at the sacrifice of high quality faculty, facilities and staff attention. We set textbook prices at cost so that our students can afford the highest quality university textbooks.

Best Teachers

We carefully select our faculty and attract the best teachers with very competitive compensation. Our teachers care about their students and create a dynamic, supportive environment which is most conducive to learning.

Best Location

We are located in the very best location in the heart of the Segerstrom Center for the Arts complex, next to the South Coast Plaza in Costa Mesa, in walking distance to superb dining, shopping and cultural venues.

They offer so many different languages from basic to advanced.
